

September 1, 2022

Dear Fall Conference Vendors:

The Department of Technology will hold its 83rd Annual Fall Conference on Thursday October 27 and Friday October 28, 2022, with booth set up on Wednesday. It is a privilege to extend to you an invitation to exhibit and advertise at our 2022 conference.

We will again be using the corridors that connect Shineman, Wilber, and Park Halls for the vendor area. Your company may be interested to know that previous conference attendance has exceeded 500 technology education teachers and technology professionals. The conference is also attended by undergraduate and graduate students who will be our future technology teachers. Information about the 83rd Fall Technology Conference can be found at [www.fallconference.com](http://www.fallconference.com).

The demand for exhibit space and advertising typically is high. Consequently, we would like to **receive your reply by October 10, 2022.**

The fee will be \$400.00 per booth, which includes 120V electricity and WiFi access at the booth and includes advertising on the conference program website. A portion of each booth rental will be given to the Department of Technology Student Association. If you have participated with our conference in the past, you know our student volunteers do a great deal for our conference. Please complete the enclosed "Commercial Exhibits Contract," make check payable to SUNY Oswego Department of Technology, and mail request form and check to:

Commercial Exhibits Attn: Mark Hardy  
Department of Technology - 103 Park Hall  
State University of New York at Oswego  
Oswego, New York 13126-3599

Please contact me if I can be of any assistance. I am looking forward to seeing you at the conference.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Hardy".
